President's Page

Gentlemen:

This is my last President's Page. Your new President is Phill Bussell. His address is 4803 Fallon Place, Dallas, Texas 75227. Congratulations Phill.

The FAI World Championships are scheduled to be held in Canada, in the summer of 1985. The initial plan is to have a team selection contest, hopefully to be held in conjunction with the San Luis Obispo Formula 1 race. If approved by the host club this will take place in May of 1985.

The Championship Race in Smyrna, Tennessee was won by Dave Shadel. Bruce Richmond was second, and Arnold Wile was third. My sincere thanks to all the people who helped from the Middle Tennessee Radio Control Society, and a special thanks to Greg Doe, the C.D.

It was a pleasure working with all my District V.P.'s. You did a fine job. A super, special thank you to Bev Wisniewski, our Newsletter Editor. This is the most time consuming job in the organization.

With sincere regards,

Ron

JUST FOR YOU

I have mixed emotions as this is written. Part sorrow and part relief, as I realize this is MY LAST NEWSLETTER for the NMPRA. Doing the newsletter has been a unique experience. May I extend a very large THANK YOU to all of you who sent articles, poems, reports or pictures? You made my job a great deal easier.

A SUPER SPECIAL THANKS A LOT to my daughter MINDY for doing all of my typing and to ALLEN PRINT SHOP for making my work look so good.

It has been a genuine pleasure to work with and for so many truly super people.

Karen Yeager has consented to be our new editor. She will do an excellent job. No reports came in this month, soooo. Get them to Karen for the next one.

Congratulations to our new officers and remember.....

KEEP FLYING

Ben Wisniewski
